

Heavenly Father,
As we walk with Christ
as women of faith
may we remember
that our spiritual journey
does not end at the cross of Calvary
but begins with His resurrection,
for He died so that we might live.

Unite us as Sisters in Christ
and help us to always be aware
of His presence in our lives,
in those we meet,
and in whom we love,
and let the flame of His love
shine through us.

We ask this in the name of Jesus Christ
through the intercession
of the Blessed Virgin Mary.

Amen.
