RE: Hurricanes Irma and Maria

Dear Rev Fr. Daniel Leary and Parishioners,

Grace, peace and the love of God be with you!

On behalf of the Sts. Joachim & Ann Parish family and myself, we would like to share our sincere and heartfelt thanks for you and your parish family's selfless devotion in donating your time and labor in the clearing of debris, reconstruction, replacement of electronic devices and other items due to the recent destruction caused by two category five Hurricanes Irma and Maria. Your dedication to serve and help this Church community is a testimony of a living faith in our Lord Jesus Christ. It is our prayer that you and your parish family continue to unceasingly show your faith and good works as we move towards restoration and recovery.

Once again, thank you for your kindness and devotion. It is this type of kindness, concern and the faith of devoted servants of God like you and your parishioners that make it possible for our Parish in the Virgin Islands to grow and flourish in spirit.

May God richly bless you and always be kind to your loved ones. We assure you of our prayerful support in the love of Our Blessed Mother.

"Omnes Ad Iesum Per Mariam"

Sincerely In Christ,

Rev. Fr. Louis Kemayou, Pastor
