

St. Andrew Apostle School's

Spirit 5k

Runners, Walkers, or Strollers!

Dear Business Owner:

We are sending you our sponsorship form in hopes that you would consider contributing to our 8th Annual Spirit 5K Race, which will take place *virtually November 1st-8th, 2020 (aka Race Week)*. This is a big fundraiser for our school, St. Andrew Apostle in Silver Spring, Maryland. The purpose of the 5K race and 1K fun run is to raise money in support of St. Andrew Apostle School. This year, we will be donating a portion of our proceeds to the Cyclic Vomiting Syndrome Association (CVSA), a national organization that raises awareness and supports research into a migraine condition that affects students at our school. Both St. Andrew Apostle and CVSA are non-profit 501(c)(3) organizations.

In past years, we have had over 200 race participants and our hope is to have even more supporters this year. Sponsorship is a great way to advertise your company within our community and beyond. Last year's 200+ participants are still wearing the race shirts and prominently displaying last year's sponsors' logos and names! We are reaching out to the community to help support us as we strive to continue to provide excellent education and create students that will become integral, active members in our own neighborhoods.

Many of our school families are current patrons of your business. We are hoping you will consider any level of sponsorship to help make our 5K race a success. If you'd like to be a sponsor for our event, please complete the information below so that we can properly thank you for your support and send it in with this sponsor form and contribution. *Since the event will be virtual this year, we will have a Sponsors page on the race website this year where your business will be included!*
