

St. Andrew Apostle Parish School

Pastor's Certification of Eligibility for Tuition Grant for new and re-enrolling students

Dear Pastor:

According to Archdiocese of Washington policy, students must meet the following requirements to receive a tuition grant in an Archdiocese school:

- student must have a Catholic baptismal certificate;
- student and at least one parent/guardian must be registered, contributing (either by check, parish envelope, electronic transfer or Faith Direct) and active members in a Catholic parish of the Archdiocese of Washington; and
- a letter from the family's pastor must have been submitted to the school confirming that they are registered, active and contributing members of the parish by May 13, 2022.

Families of new and re-enrolling students are required to obtain a certification or re-certification from their pastors each year at enrollment time. We greatly appreciate your assistance providing this service for your parishioners and our school.

St. Andrew Apostle School

To be completed by parent/guardian or parish staff:
